Dear LMCA Member,

Yes! Rendezvous is back for 2021! Rendezvous weekend will be July 16-18, hosted at Macatawa Bay Yacht Club. Activities, presentations, music, and lots of food and beverages. But most of all, renewed friendships and camaraderie with your boating friends after the long break of the last year!

Admit it, y'all come to Rendezvous to eat! While Macatawa Bay Yacht Club is known for its great meals, they have also implemented Covid-sensitive best practices, and their breakfast and lunch buffets will be served to your requests.

We'll kick off our weekend with the optional Friday Shrimp Boil, redesigned by Jon and Mary Bontekoe to be Covid-sensitive, individually-served rather than poured out on long tables.

Saturday morning will feature a selection of fruit, yogurt, breads and muffins, eggs, and sausage/bacon. Grab coffee, point to what you want, and your plate will be filled!

Saturday lunch is the delicious Taco Bar offering hard and soft shell tacos, with beef or chicken, condiments, Spanish rice and refried beans. This meal will also be served to your request.

Saturday's plated grand dinner offers the choice of prime rib, chicken picatta, salmon, or vegetable stir-fry, all with fingerling potatoes and side vegetable. Select your entrée at registration.

Sunday morning will have an omelet station, stuffed French toast, hash browns, fruit, meats, sweet breads, and muffins. Again, this is a served buffet of your selections.

REGISTRATION PRICE PER PERSON: \$100
